

# Support Worker

## Start your Career in Care today

Reach Care is our domiciliary care support agency and a Community Interest Company. We provide outstanding one-to-one support for adults with learning disabilities in and around Nottinghamshire.

We provide Outstanding support within Newark and surrounding villages for adults with a learning disability, for anything from a round-the-clock service to just a few hours a week.

### Would you like to bring a smile to someone's face every day?

Are you caring and enthusiastic? Our outstanding team of Support Workers work are! As a Support Worker you will support people with learning disabilities in the community to encourage them to try new experiences, have fun and make new friends in a safe, caring, well-managed and happy environment.

We are looking to recruit a number of support workers in Southwell, Newark, Mansfield and the surrounding areas to work with adults with learning disabilities who have a diverse range of support needs.

We recruit on a values-based approach matching our staff with our service users using a wide range of criteria - not only skills and experience, but hobbies and interests too.

Shifts may involve early mornings, days, evenings, weekends, Bank Holidays and sometimes sleep shifts.

“Working at Reach feels like you're part of a caring community.”

One of the best things about being a support worker is knowing you can have a positive influence on those you support.

We offer:

Full or part-time roles

- Flexible shift work patterns
- Voluntary overtime

In return you will receive:

- Competitive rates of pay, 33 days holiday (including bank holidays)
- 3 day induction plus shadow shifts with full pay
- Service-related sick pay following completion of 6 months' probation period
- Travel time and mileage allowance
- Pension contribution into NEST Scheme after 3 months with us
- Comprehensive training and Continuous Professional Development opportunities
- Regular wellbeing and development meetings
- Access to on call support out of hours
